School: St Anthony Park	Home Language: English		

Date Completed: 11/03/2025

IEP/IHP Communication

Measurable Annual Goal: Rimona will improve her articulation of target speech sounds from 0% to 70% accuracy at the word level as monitored by the speech and language pathologist.	
Objective: Rimona will produce the “l” and “l blend” sounds with 70% accuracy at the word level as monitored by the speech and language pathologist.	
Objective: Rimona will produce the “s”, “z”, and “s blend” sounds with 70% accuracy at the word level as monitored by the speech and language pathologist.	
Objective: Rimona will produce the “ch”, “sh”, and “j” sounds with 70% accuracy at the word level as monitored by the speech and language pathologist.	
Reporting Period: Elementary: Fall Reporting Period	Goal Status: Student progressing towards goal as expected
Comments: November 2025 Rimona is producing her target sounds with the following levels of accuracy at the word level in the speech room; l and l blends 10%, s, z, s blends, ch, sh, and j averaging 20%. Rimona also struggles with the th sound. When Rimona is focused on correct production, her performance improves. Transferring her correct productions to connected speech continues to be difficult for her.
